THE HEART GALLERY IS A NATIONWIDE MOVEMENT DEDICATED TO HELPING CHILDREN AND YOUNG ADULTS IN FOSTER CARE

BE THE CHANGE YOU WANT TO SEE IN THE WORLD

Who is the Heart Gallery?

The Heart Gallery of South Central Texas, sponsored by THRU Project, uses innovative storytelling to restore dignity to youth in foster care and promote adoption. By supporting the path to permanency, it empowers these youth to build successful, independent futures.

How can you make a difference?

You can bring hope to youth in South Central Texas by volunteering or donating. Businesses, churches, and organizations can host a Heart Gallery to raise awareness of children in foster care. Donations can support pop-up Heart Galleries, showcasing your commitment to Texas' vulnerable youth. Volunteer as a mentor to guide young adults towards independence. Contact us to learn more about how you can make a difference.

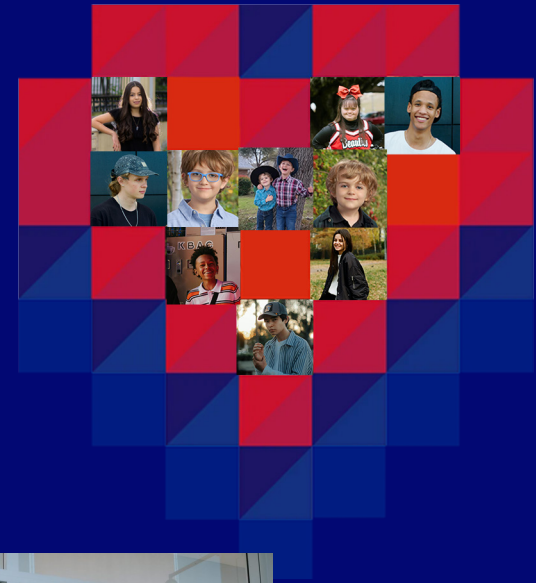

Volunteer Opportunities

Your life experience can guide a Texas youth with life changing advice. Take one-on-one time with young adults and become the mentor you wish you had as you grew into adulthood.

Are you a photographer?

Use your passion for photography and help spread awareness of foster adoptions by taking portraits of young people in the foster care system.

Where in Texas can we be found?
